  .

2017 – present
Lagos, Nigeria

RPA Lead Facilitator, *MOL Academy*
- Provide training across several tools in robotics process automation
- Constant contribution to the RPA community
- Freelance projects

2016 – 2017

Intern, *M Saleh Engineering Ltd*
Graduate Internship

EDUCATION

2011 – 2015
Kumasi, Ghana

BSc. Mechanical Engineering, *Kwame Nkrumah University Of Science & Tech* ⧉
Second Class Honors (Upper Division)
Cumulated Weighted Average [C.W.A]: 65%

2004 – 2010
Lagos, Nigeria

High School Degree, *Nigeria Airforce Secondary School Ikeja* ⧉
WASSCE

SKILLS

Uipath Studio & Orchestrator
Technology for creating RPA solutions
● ● ● ● ●

Programming Languages
C#, VB.Net
● ● ● ● ●

Unity Studio
Technology for game development
● ● ● ○ ○

Html, Css & Js
web development
● ● ● ○ ○

Analytical Skill
able to make critical analysis of problems
● ● ● ● ●

Innovative
bringing new ideas to life
● ● ● ● ●

Technical
able to device perfect technical solutions to solve problem
● ● ● ● ●

MSQL & SQL
Database
● ● ● ● ○

PROJECTS

Document understanding, *RPA Using Uipath*
Number of projects : 5

Web Automation, *Rpa using Uipath*
Number of projects : 10

Database Automation, *RPA using Uipath*
Number of projects : 10

Excel, *RPA using uipath*
Number of projects : 20

Galaxy Shooter, *Unity* ↗
A 2d game built using the unity studio and C#

Start up landing page, *Web development* ↗
startup landing page for a sme

CERTIFICATES

British computer society
Certificate in IT

ITIL ↗
Foundation level 4

HSE
Occupational Health & Safety

NYSC
National Youth Service Corps

INTERESTS

| Game Development | Robotics Process Automation (RPA) | Uipath | Web Development | Animations |

COURSES

2019 – present **RPA Advanced Developer,** *Uipath* ↗
Uipath RPA developer certification

2019 – present **Processmaker Certified Advanced Architect,** *Processmaker* ↗
Processmaker certification

2019 – present **Process maker Advanced Developer,** *Processmaker* ↗
ProcessMaker developer certification

2019 – present **Microsoft DAT201x,** *Cousera* ↗
Analyzing and Visualizing Data with Excel

2019 – present **Microsoft DAT206x,** *Coursera* ↗
Analyzing and Visualizing Data with Excel

2020 – present	**Introduction to programming with MATLAB,** *Coursera* ⬈
	a course on matlab
